

Good Faith Estimate

The following rates are for self-pay clients. Depending on the number and length of sessions, the goals clients and therapists set, and the work clients are willing to apply to their experience, the total amount may differ from what is shown below. Clients always have the right to request updated estimates specific to their care at any time. Clients who utilize insurance will experience different rates based on the plan they utilize with their insurance company(ies).

Additional Costs that Exceed Session Limits:

The following is a list of costs that are outside of regular therapy sessions. When clients have insurance, these costs are considered to "Exceed Benefit Limits." These are the costs that will be charged to all clients, regardless of their relationship with insurance, Medicaid included. For additional information about our fees, please see our Billing Agreement.

- Collateral Sessions: Sessions with parents or guardians of child clients to discuss the child’s care. These sessions may be charged the rate above based on the length of the appointment.
- Care Giver Consultations (Child clients): Therapists or Parents/Guardians may request the therapist speak with the child’s teacher, school counselor, doctor, or other care provider. These consultations are not billable to insurance and will be billed to the nearest 15-minute increment, at a rate of \$20 per 15 minutes.
- External Consultations (Adult Clients): Therapists or adult clients may request the therapist speak with other providers in the client’s life, including doctors or other care providers. Within this category, these consultations could also include conversations with client’s Attorney(ies), Parole Officers, or other members of law enforcement. These consultations are not billable to insurance and will be billed to the nearest 15-minute increment, at a rate of \$20 per 15 minutes.
- Records Requests: “Records” refer to a single progress note, assessment, diagnostic, evaluation, intake note, termination note, or other single note in a client’s case file. These requests are not billable to insurance.
 - Records sent to a client electronically: \$5 per record.
 - Records sent to a client physically: \$25 per record.
 - Records sent to a third party at the client’s request, both electronic and physical copies: \$25 per record.
- Requests for verification, letters, and assistance filling out forms: Client requests for this type of assistance need to be made in writing. Fees for these requests start at \$100 per hour, with a minimum charge of \$100. If additional time is required beyond the estimate, clients will be notified and given the opportunity to determine if they want the project completed at an additional cost. Incomplete documents will not be released.
- Court Proceedings: Clients who choose to involve a member of WHC staff in court proceedings agree to pay a retainer of \$3,000. Staff time will be billed at a rate of \$500 per hour, charged in 15-minute increments, rounded up to the nearest 15 minutes. The retainer will be held in a secure account and any remaining balance will be returned within 30 days of the end of the litigation.
